Ray of light in our pocket

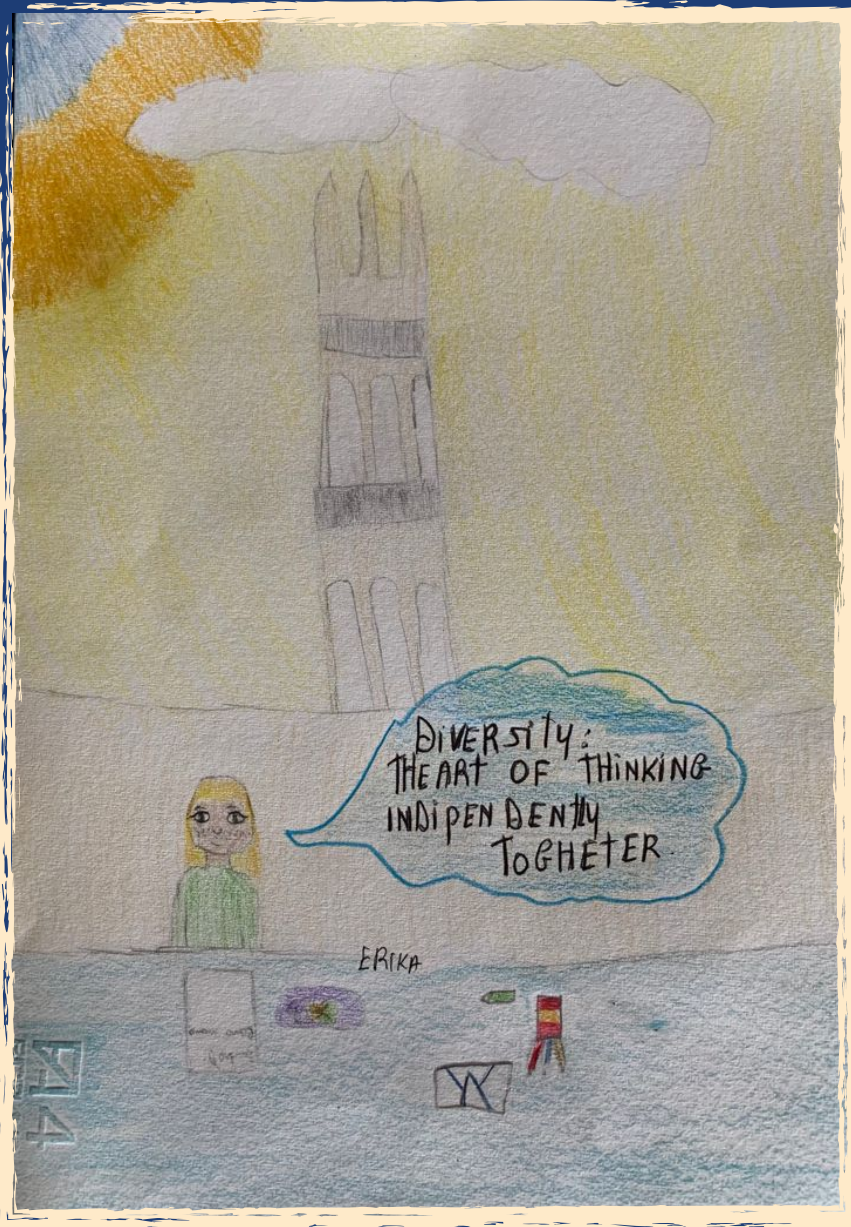

Rays of light in the stormy sky
A child runs kissed by the wind,
Runs and hides his ray in his pocket
He laughs glad because the light is strong
He secretly thinks he's the only
Thief of stolen rays in flight.
A grandmother passing by him laughs
because she knows the song of all the rays
She has grey eyes like the sea in a storm
She laughs and hides her
ray in her pocket.

Il raggio in tasca

Raggi di luce nel cielo in burrasca
Corre un bambino baciato dal vento.
Corre e nasconde il suo raggio in tasca
La luce è forte e lui ride contento.
Pensa in segreto di essere il solo
ladro di raggi rubati nel volo.
Ride una nonna che gli passa accanto
di tutti i raggi lei conosce il canto
Ha gli occhi grigi del cielo in burrasca
ride e nasconde il suo raggio in tasca.
